

## **Joseph Forman**

---

**Chairman & Chief Executive Officer  
Bond Street Capital Companies**

Joseph Forman is the Chairman and CEO of The Bond Street Capital Companies (BSCCI.) BSCCI is a commercial lender, mortgage and investment banking firm with 8 offices located nationwide. The company is headquartered in Agoura Hills, CA. BSCCI and its related companies have originated over 2 billion dollars of commercial real estate loans in the last decade.

Mr. Forman began his career as a lawyer before he was lured into real estate finance. He worked his way up the ranks from staff lender to division manager within 3 years at a California financial institution. In 1987 he was named president of CSL Realty Advisors, a Los Angeles-based subsidiary of the bank where he was an early pioneer in developing the concept of structured products for the commercial real estate industry.

Between 2001 and 2007, Mr. Forman has been a principal and senior officer of Bond Street Capital Corp. During this period, he was also CEO to the sister companies of RainMaker Financial Affiliates and the RainMaker Companies. In 2008 the activities of all three companies were consolidated into the Bond Street Capital Companies, at which time Forman became the President and CEO of the combined companies.
